

Peer Group Meeting

When you arrive at Gordon, you will be greeted by UWEBC staff, who will have a name badge ready for registrants.

Once checked-in, head into the meeting room where you can find a table and network with fellow attendees while enjoying fresh pastries and coffee.

UWEBC Peer Group meetings consist of presentations by experts and industry leaders, as well as self-selected, small-group breakout sessions focusing on the day's meeting topic. Check out your meeting agenda for more information.
