That's a wrap on our third annual Wisconsin Digital Symposium

On May 2, 2024, the UW E-Business Consortium hosted the 3rd annual Wisconsin Digital Symposium. Participants gathered in person at the Union South conference center in Madison, Wisconsin, and could also attend virtually. This half-day program gave attendees the opportunity to learn from leaders, network with like-minded professionals, and take the first step toward transforming their business into a competitive force in the digital landscape. Featuring incredible speakers such as David Rogers and Martina Lauchengco, it was an exceptional event.

If you missed out – or you want to be able to share with your friend or colleague – we have digital all-access passes available now, which gives you immediate access to the full event recording. Learn more.

Registration now open for the 26th Annual UWEBC Conference
We’re thrilled to announce the return of Wisconsin's premier hybrid learning event! Mark your calendars for October 1, 2024, for a day filled with inspiration, education, and networking opportunities. Whether you join us in person at the picturesque Monona Terrace or virtually from anywhere in the world, this year's conference promises to be another unforgettable experience. Welcome new members: Gebrüder Weiss, Ideal Industries, and Uline

We couldn't be happier to announce and celebrate the fact that we have new member companies in our UWEBC community. Join us in welcoming these incredible companies: Gebrüder Weiss, Ideal Industries, and Uline. You can learn a little about each of them below.

Gebrüder Weiss, a global freight forwarder with a core business of overland transport, air, and sea freight and logistics, is the world's oldest transport company with a history that dates back more than 500 years. The family-owned company employs more than 8,600 people worldwide and boasts 180 company-owned locations. The company has implemented a wide variety of environmental, economic and social initiatives and is considered a pioneer in sustainable business practices.

IDEAL Industries is a 4th generation family-owned and professionally managed company that is driven by a passion for its people and relationships. The +100-year-old global enterprise operates in 27 countries and is known for providing power management and electrical distribution solutions. Their products have been everywhere from the South Pole to the Moon, and we are so glad they are joining us here at UWEBC.

Uline, a family-owned business, is one of the leading distributors of shipping, industrial and packaging materials to businesses throughout North America. For over 40 years, they have been committed to providing high levels of service and quality products to their customers. Their commitment to efficiency and vast product range make them an invaluable resource, and we are excited to have them join our UWEBC family.
