A MESSAGE FROM OUR EXECUTIVE DIRECTOR

I would like to personally invite your company to be a part of our legacy by sponsoring the 27th annual Business Best Practices & Emerging Technologies Conference.

Our conference is revered as the premier knowledge-sharing and networking event for business leaders from well-known companies throughout the midwest and beyond. Hosted by the University of Wisconsin E-Business Consortium (UWEEBC), a unique partnership of industry-leading companies and Wisconsin's flagship university, our conference attracts a wide variety of influential decision-makers across several industries. This year, our conference will again be held in person at the beautiful Monona Terrace, with a virtual option available to allow a comfortable and convenient way for everyone to participate.

This event features five incredible tracks in Customer Service, Human Resources, Marketing, Supply Chain, and Technology. All tracks are dedicated to innovative strategies and emerging technologies and draw a diverse audience.

The **Diamond Sponsor** level offers the unparalleled opportunity to promote your company to a wide audience of prominent business professionals. The UWEEBC partners with Diamond Sponsors to provide inspiring speakers to address all conference attendees in an Opening or Closing session.

Platinum Sponsors receive an exceptional opportunity to connect and converse with a targeted audience by sponsoring a specific conference track of their choice.

All sponsors at the **Gold level** and above can present a 25-minute strategic briefing to showcase thought leadership on the latest trends while you share your company's innovations.

Additionally, we will showcase our sponsors in several significant ways on the conference website, on our social media channels, and in the popular conference mobile app!

A sponsorship at any level will give your company many ways to connect with leading companies. Don't miss this exceptional opportunity to promote your brand at Wisconsin's leading conference for business professionals!

Sincerely,

Raj Veeramani

On the day of the event, your logo is front and center on stage during live programming, on the main timeline and session in the virtual space, in our mobile app, and at your premium virtual booth.

The Diamond Sponsor has an active role in each part of the agenda.
